## Earth Collection

Candles & holders that evoke the natural colours of the earth (ocre, peach, beige, brown) which are combined in a unique way to make an inspiring and exclusive collection.

## Tropical Collection

Candles & holders that celebrate the joy of life inspired by the vivid colours of tropical fruits (orange, yellow, brown) which illuminate any ambiance without even lighting the candles.

## Marine Collection

Candles & holders that form a fresh and nice combination of marine colours (light blue, indigo & beige) which gives a fresh touch to any corner or place to decorate.
